The agreement shall specify the laws of each state that allow for such a tax subsidy and shall provide that each state will adopt legislation to repeal those laws, contingent on the enactment of the corresponding legislation by each of the other states. In connection with the agreement, the executives shall propose approaches for ensuring continuing compliance with the terms of the agreement. On or before September 15, 2018, the Governor shall report to the Senate Budget and Taxation Committee and the House Committee on Ways and Means, in accordance with § 2–1246 of the State Government Article, on the status of reaching an agreement.
