

SENATE BILL 464

M2

EMERGENCY BILL

3lr1603
CF HB 306

By: **Senator Klausmeier**

Introduced and read first time: January 30, 2013

Assigned to: Education, Health, and Environmental Affairs

A BILL ENTITLED

1 AN ACT concerning

2 **Natural Resources – Aquaculture – Shellfish Nursery Permits**

3 FOR the purpose of prohibiting a person from engaging in the commercial rearing of
4 shellfish seed outside certain leased areas without first obtaining a shellfish
5 nursery permit from the Department of Natural Resources; placing certain
6 limitations on the issuance and scope of a permit for land-based and in-water
7 shellfish nursery operations; providing that certain water quality classifications
8 and restrictions established by the Department of the Environment may not
9 affect certain in-water shellfish nursery operations; clarifying that a person is
10 not required to obtain a water column lease or a submerged land lease for
11 in-water shellfish nursery operations; establishing a certain application process
12 and a certain application fee for permit applications; authorizing the
13 Department of Natural Resources to deny a permit application for reasonable
14 cause or to include conditions in a permit; establishing a certain term for a
15 permit; authorizing the Department of Natural Resources to suspend or revoke
16 a permit for certain reasons; requiring a permit holder to allow certain
17 inspections by the Department of Natural Resources; authorizing the
18 Department of Natural Resources to adopt regulations implementing this Act;
19 defining a certain term; making this Act an emergency measure; and generally
20 relating to shellfish nursery permits.

21 BY adding to
