FISCAL AND POLICY NOTE

House Bill 971 (Delegate McConkey)
Ways and Means

Anne Arundel County - School Board - Membership

This bill restructures the Anne Arundel County Board of Education from a 9-member appointed board (including 1 student member) to an 11-member hybrid board consisting of 7 elected members (1 from each of the 7 councilmanic districts on a nonpartisan basis); 3 appointed members (1 appointed by the Governor, the county executive, and the county council); and 1 student member.

The transition occurs after the primary and general elections of 2014 and after the commencement of terms of members elected following those elections.

Fiscal Summary

State Effect: None.

Local Effect: Anne Arundel County expenditures increase by \$31,400 in FY 2015 and by \$34,200 annually beginning in FY 2016, to cover salaries and expenses for two additional school board members, plus additional one-time costs. The Anne Arundel County Board of Elections can meet election requirements using existing resources. **This bill imposes a mandate on a unit of local government.**

Small Business Effect: None.

Analysis

Bill Summary: Commencing with the term that begins December 1, 2014, the Governor, the Anne Arundel County Executive, and the Anne Arundel County Council must appoint a member to the county board from a list of nominees submitted by the School Board Nominating Commission of Anne Arundel County. The commission must submit

at least two nominees to the appointing authorities for each vacancy for the county board, unless there are fewer than two applicants for a vacancy.

An appointed member is eligible for nomination and reappointment for a second consecutive term. Reappointment will no longer be subject to voter approval. Except for the student member, the terms of the appointed board members in office on November 30, 2014, terminate on that date.

Current Law: The Anne Arundel County Board of Education consists of nine members, of whom three members are appointed from the county at large, five members are appointed from each of the five legislative districts in the county, and one is a student member. Except for the student member, the Governor must appoint a member of the county board from a list of nominees submitted by the School Board Nominating Commission of Anne Arundel County.

The School Board Nominating Commission of Anne Arundel County was established in 2007 (Chapter 454, HB 1114). The commission must submit at least two nominees to the Governor for each vacancy for the county board, unless there are fewer than two applicants for a vacancy.

Chapters 177 and 178 of 2011 (SB 78/HB 220) specify that a member of the Anne Arundel County Board of Education must be appointed by the Governor from a list of nominees submitted by the School Board Nominating Commission, subject to election by the registered voters of the county at the general election following the member's nomination and appointment, regardless of whether that member is serving a first or second term.

Background: The Anne Arundel County Board of Education is one of four appointed school boards in the State. There are 18 elected school boards in the State and two counties have hybrid boards including both elected and appointed members. The **Appendix – Local Boards of Education** – shows the selection methods, terms of office, and membership of the 24 local boards of education.

Local Fiscal Effect: The President of the Anne Arundel County Board of Education receives \$8,000 annually as compensation and, except for the student member, board members receive \$6,000 each annually. In addition, members of the Anne Arundel County Board of Education are reimbursed for local travel and other expenses related to attending meetings and transacting board business, subscriptions, and travel to conferences.

Accounting for the December 2014 start date for the institution of an 11-member board, county expenditures for board member salaries and expenses increase by approximately

\$19,900 in fiscal 2015 and by approximately \$34,200 annually beginning in fiscal 2016 as shown in **Exhibit 1**. Additional one-time expenditures for board room renovations and furnishing, and purchase of two additional laptop computers, totaling approximately \$11,500, are assumed to be made in fiscal 2015. Assuming four-year terms for elected members, the Anne Arundel County Board of Elections can add extra names to election ballots using existing resources.
