19 (4) the objective of the Rural Maryland Prosperity Investment Fund is

23 (5) resources provided to the Fund are designed to facilitate
24 significant targeted investments in important economic, **HEALTH CARE**, and
25 community development programs and promote regional and intergovernmental
26 cooperation;

27 (6) these investments will also enable local and regional public and
28 nonprofit organizations to leverage additional nonstate financial and human resources
29 to facilitate the realization of sustainable rural development objectives while the
30 program is in effect; and

31 (7) the Fund will serve the interests of the entire State by:

32 (i) encouraging the increase of entrepreneurial activity and
33 commerce and a balanced economy in the State;

35 in rural areas;

1 (iii) assisting in the retention of valuable farm and forest land
2 for productive use by present and future generations;

3 (iv) promoting intergovernmental cooperation and public
4 sector/private sector partnerships in and between rural and other areas;

5 (v) enhancing the deployment of housing, transportation, water,
6 wastewater, and broadband communications infrastructure and services in rural
7 areas;

8 (vi) supporting rural commercial center redevelopment and
9 community revitalization efforts; and

10 (vii) generally promoting the health, happiness, safety,
11 employment opportunity, and general welfare of the residents of each of the rural
12 counties and municipal corporations of the State.

13 (c) (1) There is a Rural Maryland Prosperity Investment Fund.

14 (2) The Fund is administered by the Rural Maryland Council with the
15 assistance of the Board.

19 governments acting in partnership with one another to promote the quality of life in
20 rural areas.
