Analysis

Current Law/Background: DVA was created by Chapters 124 and 125 of 1999 as an executive agency with the mission of assisting veterans, active duty service members, and their families and dependents in securing benefits earned through military service. Chapters 124 and 125 specified that the Maryland Veterans Commission, the Maryland

Veterans' Home Commission; and the War Memorial Commission be organized under the newly created department.

DVA administers four major programs: the Veterans Cemetery and Memorial Program; the Charlotte Hall Veterans Home; the Veterans Service and Benefits Program; and the Outreach and Advocacy Program. According to the DVA website, the department's service mission is to:

- provide representation to the U.S. Department of Veterans Affairs;
- provide referrals to other federal, State, and local government agencies for benefits which may be available to eligible individuals;
- manage and operate authorized Maryland State Veteran Cemeteries and a Civil War Cemetery;
- maintain and care for memorials for the Maryland World War II, Vietnam, and Korean War Veterans;
- manage the Charlotte Hall Veterans Home Program; and
- provide staff support and assistance to State veteran commissions.
