10. Description and Purpose of Organization (Limit length to visible area)				
<p>We cannot change or cure the medical issues life has dealt individuals with disabilities. What we can do is provide them with an opportunity to experience the joy and benefits that come from playing our national pastime - baseball. This field will include the community by having able bodied "Buddies" help the individuals with special needs and disabilities play ball. The "Buddies" will come from church groups, Boy and Girl Scouts, and high school students doing community service, to mention a few. As a result, the parents, children and volunteers are all brought together - special needs and mainstream alike - in a program, which serves them all through service to individuals with special needs.</p>				

**11. Description and Purpose of Project** (Limit length to visible area)
