Constitution, the following statement shall appear in the specimen ballots that are mailed to registered voters before the election under § 7–105 of the Election Law Article:

“This Act would allow a county board of education to set the start date and end date of the school calendar for the public schools in that county. Public schools must be open for at least 180 days and 1,080 school hours at elementary and middle schools and 1,170 hours at high schools during a 10-month period. A county board may apply to the State Board of Education for a waiver from these requirements if normal school attendance is prevented because of natural disaster, civil disaster, or severe weather conditions.

This Act would return to a county board the sole authority to set the start and end dates of the school calendar year. A county board would still be required to meet other requirements, such as the minimum number of days and hours, when setting the school calendar.”.

SECTION 4. AND BE IT FURTHER ENACTED, That this Act is an emergency measure, is necessary for the immediate preservation of the public health or safety, has been passed by a yea and nay vote supported by three-fifths of all the members elected to each of the two Houses of the General Assembly, and shall take effect from the date it is enacted.”.
