Allegany County Board of Education - Elected Members - Filling a Vacancy

This bill requires the Allegany County Commissioners, rather than the Governor, to fill a vacancy in an elected member's position on the local school board. **The bill takes effect July 1, 2020.**

Fiscal Summary

State Effect: None.

Local Effect: The bill does not materially affect Allegany County finances or operations.

Small Business Effect: None.

Analysis

Current Law: The Governor must appoint a new member to fill any vacancy of an elected member's position on the Allegany County school board for the remainder of that term and until a successor is elected and qualifies.

However, if a vacancy occurs before the date that is 10 days prior to the filing deadline for candidates for the primary election that is held in the second year of the term, the individual appointed by the Governor must serve only until a successor is elected by the voters at the time of the next general election.

Background: The Allegany County Board of Education is 1 of 19 elected school boards in the State. There are 4 hybrid school boards and 1 appointed school board. **Appendix – Local Boards of Education** shows the selection methods, terms of office, and membership of the 24 local boards of education.

Additional Information

Prior Introductions: None.

¹A = Appointed by Governor, except in Baltimore City, where board is appointed by the Mayor; E = Elected; and A/E = Combined appointed by Governor and elected board, except in Prince George's County.

²Chapter 473 of 2017 restructured the Anne Arundel County Board of Education from a nine-member appointed board to an eight-member elected board consisting of seven elected members (one from each of the seven councilmanic districts on a nonpartisan basis) and one student member. The terms of the elected members are staggered; four members were elected at the 2018 general election and three members will be elected at the 2020 general election. In this manner, the elected board is phased in. The members elected in November 2018 serve a six-year term, while the members elected in 2020 serve a four-year term. Thus, beginning in 2024, all members must stand for election.

³Chapter 593 of 2017 repealed the role of the Governor in making appointments to the Baltimore City Board of School Commissioners; it also repealed the Governor's role in filling board vacancies and removing board members. As a result, board members are appointed solely by the Mayor of Baltimore City until the appointed/elected board established by the legislation is executed at the 2022 general election. Chapter 593 also established the Baltimore City Public School Board Community Panel (which the Mayor must convene) and specified its membership. The purpose of the panel is to select nominees to be recommended to the Mayor as qualified candidates for appointment to the board (including candidates for vacancies). If the Mayor elects not to appoint a member or to fill a vacancy from a list submitted by the panel, the Mayor must reconvene the panel to submit additional names of qualified candidates. Beginning with the 2022 general election, the board will be restructured as a hybrid board with two members elected from the city at large, nine members appointed by the Mayor, and one student member. Elected members will serve a four-year term whereas appointed members will serve a three-year term.

⁴Chapters 480 and 481 of 2014 restructured the Baltimore County Board of Education from a 12-member appointed board (including 1 student member) to a 12-member board consisting of 4 at-large members appointed by the Governor, 7 nonpartisan members each elected from one of seven councilmanic districts, and a student member. The elected members were elected at the general election in November 2018 and serve four-year terms. In addition, Chapters 480 and 481 established the Baltimore County Nominating Commission. Generally, the commission is responsible for submitting to the Governor at least two names for each vacancy on the board. The commission consists of 19 members of the county and must reflect the diversity of the county. Except in extraordinary circumstances, the Governor must appoint members to the board of education from the list the nominating commission provides.

⁵Although not in statute, the Kent County Board of Education reports that there is a nonvoting student member of the board and that he or she does not attend closed sessions.

⁶Chapter 147 of 2013 altered the membership of the Prince George's County Board of Education by adding four appointed members to the existing elected board. The county executive appoints three members with certain experience requirements, and the county council appoints one member who must be a parent of a student in the county school system. If a seat held by an elected member becomes vacant, the county executive must appoint a qualified individual for the remainder of the term, with the appointment subject to rejection by a two-thirds vote of the county council.

⁷Although not in statute, the Washington County Board of Education reports that there is a student member of the board and that he or she can only concur on votes and must abstain from certain matters.

⁸Chapter 169 of 2016, subject to referendum, required the restructuring of the Wicomico County Board of Education. In the 2016 general election, the county approved a fully elected board option, with five members each elected from one of the five councilmanic districts and two members elected from the county at large. Members were elected at the general election in 2018 and serve four-year terms.
