6 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF MARYLAND,  
7 That the Laws of Maryland read as follows:

8 **Article – Health – General**

9 15–105.2.

10 (a) The Program shall reimburse health care providers in accordance with the  
11 requirements of Title 19, Subtitle 1, Part IV of this article.

12 (b) (1) (i) In this subsection the following words have the meanings  
13 indicated.

14 (ii) “Health care provider” means a person who is licensed, certified,  
15 or otherwise authorized under the Health Occupations Article to provide health care in the  
16 ordinary course of business or practice of a profession or in an approved education or  
17 training program.

18 (iii) 1. “Telemedicine” means, as it relates to the delivery of  
19 health care services, the use of interactive audio, video, or other telecommunications or  
20 electronic technology:

21 A. By a health care provider to deliver a health care service  
22 that is within the scope of practice of the health care provider at a site other than the site  
23 at which the patient is located; and

24 B. That enables the patient to see and interact with the  
25 health care provider at the time the health care service is provided to the patient.

26 2. “Telemedicine” does not include:

27 A. An audio–only telephone conversation between a health

5 (3) Subject to the limitations of the State budget and to the extent  
6 authorized by federal law or regulation, the Department may authorize coverage of and  
7 reimbursement for health care services that are delivered through store and forward  
8 technology or remote patient monitoring.

9 (4) (i) The Department may specify by regulation the types of health  
10 care providers eligible to receive reimbursement for health care services provided to  
11 Program recipients under this subsection.
