House Bill 563

(Delegate Long)

Environment and Transportation

Education, Health, and Environmental Affairs

Local Government – Animal Control Facilities – Adoption Fee Waiver for
Veterans (Pets for Vets Act of 2021)

This bill requires an animal control facility operated by a county or municipality to waive the adoption fee for a dog or cat adopted by a veteran who presents specified identification that notes the individual is a veteran. An animal control facility may limit the number of adoption fee waivers granted to an individual to one dog and one cat within a six-month period.

Fiscal Summary

State Effect: None.

Local Effect: Local government revenues may decrease to the extent that dogs and cats are adopted from county and municipal run animal control facilities; however, any impact is likely to be minimal. Local expenditures are not affected.

Small Business Effect: None.

Analysis

Current Law: There are no statutory provisions directly applicable to the bill.

Local Fiscal Effect: The Maryland Association of Counties indicates that local animal adoption fees generally range from \$0 to \$150 with larger or more exotic animals having higher fees. Moreover, county shelters sometimes waive adoption fees for certain animals or for special adoption programs and events. For example, Anne Arundel County indicated that it has partnered with the “Pets for Patriots” program, which works with animal shelters

and adoption facilities to link military veterans and their families with companion pets. The program focuses on overlooked or undervalued dogs and cats that may not otherwise be adopted.

In calendar 2019, Anne Arundel County processed 911 cat adoptions and 287 dog adoptions, with the maximum adoption fees totaling \$14 for cats and \$17 for dogs. The county also collected licensing fees from county residents who adopted/bought a pet from another organization. In total, the county collected approximately \$228,000 in adoption and license fees in fiscal 2018.

Additional Information

Prior Introductions: SB 128 of 2020 passed the Senate with amendments and received a hearing in the House Environment and Transportation Committee, but no further action was taken.

Designated Cross File: SB 338 (Senator Simonaire) - Education, Health, and Environmental Affairs.
