Beginning in calendar 2027, the salary for the St. Mary’s County Treasurer is equal to the salary of the Register of Wills for St. Mary’s County. The current salary of the Register of Wills for St. Mary’s County is \$114,641. The salary range for this position is set by statute and the State Board of Public Works determines the annual salary of each register of wills.

Under current law, each member and the chair of the St. Mary’s County Board of Education receives an annual increase of \$250 for each year of service. The bill repeals this annual increase, and instead increases salaries by 1.5% annually and provides \$150 for each year of service. Under the bill, orphans’ court judges also receive \$150 annually for each year of service. Salaries shown in Exhibit 1 reflect base salaries only with annual increases and do not account for the additional compensation associated with each year of service.

Article III, § 35 of the Maryland Constitution prohibits the salary or compensation of any public official from being increased or diminished during the individual’s term of office, except those whose full term is fixed by law in excess of four years. According to a letter from the counsel to the General Assembly, dated January 17, 1978, salary increases that are to be implemented over a period of time are permissible if implemented before the beginning of the term.

**Local Fiscal Effect:** St. Mary’s County expenditures increase by \$38,539 in fiscal 2023 and by \$134,371 in fiscal 2026 for increased salaries for county officials included in the bill. The estimate reflects base salaries only and does not account for any employer contribution rate for fringe benefits or additional compensation for years of service. The estimate reflects the staggered terms of office for the board of education and, therefore, accounts for terms for the chair and one member beginning January 2023 and terms for the remaining three members beginning January 2025. **Exhibit 2** shows the total salary increases for all public officials included in the bill.
