11. Description and Purpose of Project (Limit length to visible area)

The purpose of this project is to replace playground equipment that was removed due to its dilapidated condition because of safety concerns. To help keep costs down, the neighborhood community organized a Saturday workday to remove the equipment and recycle as much of it as possible to minimize waste. The goal is a new playground that is safe and fun.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

28. Comments

The playground will be utilized by the neighborhood of 180 households. There is no other playground within walking distance for the children to use. Prior to the old playground equipment's removal the playground was used frequently and with the arrival of new families who have moved into the neighborhood with young children, that usage will only increase.
