The Burton Barn is a historic landmark on the Hereford High School campus. It is an iconic structure and symbol within the Hereford and northern Baltimore County communities. The barn is in desperate need of repairs to structural support beams/columns, the roof, and siding. Funds have been obtained from the Preservation Alliance of Baltimore County, BCPS, and a matching state grant; however, the funds do not cover the entire cost of the project.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
