<b>10. Description and Purpose of Organization</b> (Limit length to visible area)		
<p>The SPCA of Anne Arundel County, Maryland is the largest and oldest animal welfare organization in Anne Arundel County. For over 100 years, we have worked tirelessly to improve the lives of animals within our community and beyond. As the leading animal protection and welfare organization in our county, we provide shelter and rehabilitation for animals in need. We receive no government funding; as a private non-profit organization, we depend solely on the support of our community to continue our lifesaving work. From sheltering and rehoming abandoned animals into permanent and loving homes, providing affordable veterinary care for the community's pets, our programs provide the largest impact possible.</p>		

**11. Description and Purpose of Project (Limit length to visible area)**

The buildings housing the shelter and veterinary clinic are outdated and in dire need of renovation. We have initiated phase one of our capital improvement projects to replace our antiquated animal buildings and update our facilities. By spring, we anticipate breaking ground for a new intake building to accept the more than 2,000 animals that are surrendered to our shelter each year. We are seeking a bond of \$100,000 dollars to assist with the costs of this building. These funds will be applied to the purchase of safe and modern dog runs/kennels for the homeless dogs in our care. We need to purchase more than 65 dog runs/kennels at an investment of \$2,500 each. These runs/kennels are vital to the functionality of the new building, keeping the shelter's dogs in a warm, safe and sanitary environment as they receive vital veterinary care and await adoption into new homes.

*Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.*

<p>The SPCA is committed to providing affordable veterinary care for the community's pets, sheltering and rehoming abandoned animals into permanent and loving homes. In combination with the over \$200 thousand that we were able to raise through private donors, this Legislative Bond Initiative would help us continue to provide these programs and services to the Anne Arundel County community.</p>
