11. Description and Purpose of Project (Limit length to visible area)

Howard County is requesting a \$150,000.00 Bond Bill Grant to design, construct, renovate, install, and equip a replacement playground with safety surfacing at Waterloo Park in Elkridge, Maryland. The existing playground at the park was constructed prior to 2002 and has now exceeded its useful life. The replacement of the existing structures and surfacing creates an opportunity to improve public safety and enjoyment at Waterloo Park. The Maryland Department of Natural Resources' Maryland Park Equity mapping tool identifies Waterloo Park as being a high-need site for investment in improvements to parkland access and amenities.
