Senate Bill 80

(Senator Eckardt)

Judicial Proceedings

Environment and Transportation

Motor Vehicle Registration - Exceptions for Golf Carts - Hoopers Island and Taylors Island

This bill authorizes a person to operate a golf cart equipped with approved lighting on Upper or Middle Hoopers Island or Taylors Island in Dorchester County between dawn and dusk on a county highway on which the maximum posted speed limit does not exceed 30 miles per hour. The County Council of Dorchester County may designate by resolution highways on Upper or Middle Hoopers Island or Taylors Island on which a golf cart may be operated. The golf cart must be kept as far to the right of the roadway as feasible, and the driver must have a valid driver's license. A golf cart operating pursuant to the bill's authorization is exempt from the general requirement that each motor vehicle driven on a highway in the State be registered.

Fiscal Summary

State Effect: The bill does not materially affect State finances or operations.

Local Effect: The bill does not materially affect local finances or operations.

Small Business Effect: Potential minimal.

Analysis

Current Law: Each motor vehicle, trailer, semitrailer, and pole trailer driven on a highway must be registered. Certain motor vehicles are exempt from this requirement, including certain snowmobiles in Allegany and Garrett counties and certain golf carts in Allegany County, on Smith Island, in the City of Crisfield in Somerset County, in the

community of Golden Beach Patuxent Knolls in St. Mary's County, and in the Town of Vienna in Dorchester County.

A "motor vehicle" is defined as a vehicle that, unless otherwise specifically exempted, is self-propelled or propelled by electric power obtained from overhead electrical wires and not operated on rails. Certain vehicles, such as low-speed vehicles, bicycles, and motor scooters, are restricted to certain highways based on the maximum posted speed limit; they may be subject to different rules of the road than passenger cars and trucks.

Additional Information

Prior Introductions: SB 312 of 2021, a nearly identical bill, passed the Senate and received a hearing in the House Environment and Transportation Committee, but no further action was taken. Its cross file, HB 279, received a hearing in the House Environment and Transportation Committee, but no further action was taken. SB 94 of 2020, as amended, passed the Senate and was referred to the House Environment and Transportation Committee, but no further action was taken. Its cross file, HB 23, received a hearing in the House Environment and Transportation Committee, but no further action was taken.

Designated Cross File: HB 193 (Dorchester County Delegation, *et al.*) - Environment and Transportation.
