**Analysis**

**Current Law:** The boundaries of local board of education districts must be redrawn every 10 years following the decennial census to adjust for population changes. The 14-member Prince George's County Board of Education includes 9 members elected from nine school board districts. A candidate for election to the county board must be a registered voter of the county and a resident of the school board district the candidate seeks to represent. The elected members serve four-year terms.

The remaining five members of the county board include three members appointed by the County Executive of Prince George's County, one member appointed by the Prince George's County Council, and one student member.
