Analysis

Current Law: Chapter 745 of 2019 requires the Governor, in each fiscal year, to include in the annual State budget an appropriation of \$200,000 for the CASH Campaign of Maryland to promote financial capability of low-income individuals and families by providing outreach, education, and free tax preparation services.

The appropriation may only be used to (1) provide free volunteer income tax assistance that helps low-income individuals and families, as specified; (2) coordinate and expand access to free, fact-based financial education and coaching for low-income individuals and families; (3) connect low-income individuals and families to affordable, high-quality financial services; (4) recruit, train, and manage a corps of volunteers to provide financial education, coaching, and tax preparation services for low-income individuals and families; and (5) conduct outreach to low-income individuals and families.

State Fiscal Effect: The CASH Campaign of Maryland received an appropriation of \$200,000 in fiscal 2021 and 2022. The Governor’s proposed fiscal 2023 budget includes \$200,000 in general funds for the CASH Campaign of Maryland.

Under current law, the Governor must provide an appropriation of \$200,000 annually to the CASH Campaign of Maryland. Thus, beginning in fiscal 2024, general fund expenditures increase by \$300,000 annually to provide the increased mandated appropriation under the bill.

Additional Comments: The CASH Campaign of Maryland is a nonprofit organization that promotes economic advancement for low- to moderate-income individuals and families through direct service programs, building organizational and field capacity, and promoting policy and advocacy initiatives to strengthen family economic stability.
