10. Description and Purpose of Organization (Limit length to visible area)		
The City of Greenbelt is a municipality located in northern Prince George's County, Maryland with an estimated population of 24,500. The City Government is dedicated to ensuring a safe, livable, and sustainable community for all of its residents, now and in the future.		

11. Description and Purpose of Project (Limit length to visible area)

For nearly ten years, the City has emphasized the importance of Electric Vehicle (EV) adoption to create an attractive environment for residents, lower greenhouse emissions, and to be responsible environmental stewards. To accomplish this, the City is working to create plentiful and convenient access to charging stations for residents' EVs. Using the funds provided, seven new charging stations will be equitably distributed throughout the city with a focus on marginalized areas.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
