10. Description and Purpose of Organization (Limit length to visible area)		
The purpose of Winters Mill High School Athletic Boosters Club is to provide moral and financial support for the Athletic Department and all athletic programs by promoting both student and public interest in all extra-curricular activities of the public schools of Carroll County.		

11. Description and Purpose of Project (Limit length to visible area)

To replace the 20-year-old scoreboard currently in the stadium so student athletes and fans/observers can keep up with the games being played. This new scoreboard is a much-needed replacement since the current one has the number seven stuck on the screen and cannot be repaired. The scoreboard is the focal point of any sports activity and allows stadium observers to stay involved and support the student athletes as they compete in their sport. Sports have and will continue to serve our students as a confidence builder, promote good character, and encourage healthy living.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
