**Baltimore City - Alcoholic Beverages Districts - Legislative Districting Plan  
References**

---

This emergency bill alters specified statutory references to the boundaries of Baltimore City’s alcoholic beverages districts, so that they are defined as coterminous with the legislative districts in the Legislative Districting Plan of 2022, rather than the Legislative Districting Plan of 2012. The bill requires the Baltimore City Board of License Commissioners to exempt an activity made unlawful by the bill if the license holder received approval from the board to conduct that activity by February 1, 2022, and has owned the licensed premises continuously since then.
