State Board of Certified Interior Designers - Sunset Extension

This departmental bill extends the termination date for the State Board of Certified Interior Designers within the Maryland Department of Labor (MDL) by 10 years to July 1, 2034.

Fiscal Summary

State Effect: Special fund revenues and expenditures for the board are maintained from FY 2025 through 2034.

Local Effect: None.

Small Business Effect: MDL has determined that this bill has minimal or no impact on small business (attached). The Department of Legislative Services (DLS) concurs with this assessment.

Analysis

Current Law/Background: The State Board of Certified Interior Designers certifies and regulates certified interior designers. The board also investigates complaints against certified interior designers and may issue a reprimand, suspend or revoke a certification, or impose a fine. MDL advises the board represents a growing profession in the State.

The board is 1 of approximately 60 regulatory entities and activities subject to termination unless reauthorized periodically through statute. Under the Maryland Program Evaluation Act, these entities may also be subject to an evaluation by the Office of Program Evaluation and Government Accountability (OPEGA) within DLS prior to their termination.

However, OPEGA may conduct an evaluation only if directed by specified entities or by legislation. The board is scheduled to terminate July 1, 2024; OPEGA was not asked to conduct an evaluation prior to its termination. Accordingly, the board has requested reauthorizing legislation.

Additional Information

Prior Introductions: Similar legislation has not been introduced within the last three years.

Designated Cross File: None.
