## Analysis

### Current Law:

#### *Class C (Weinberg Center) License*

A Class C (Weinberg Center) BWL license authorizes the nonprofit Weinberg Center for the Arts to sell beer, wine, and liquor at retail to a customer on the licensed premises. Beer, wine, and liquor may be sold for one hour before to one hour after a performance or a fundraiser that benefits the Weinberg Center for the Arts. The annual license fee is \$325.

The president and two other officers of the Weinberg Center for the Arts must sign the application for the license. At least two of the officers must be residents of the county.

**Local Fiscal Effect:** Frederick County will issue one additional Class C (Weinberg Center/New Spires Art Stages) BWL license to the New Spires Art Stages under the bill. Frederick County advises that the board currently issues multiple Class C *per diem* BWL licenses to New Spires Art Stage each year, collecting approximately \$700 annually. The annual license fee for the permanent Class C (Weinberg Center/New Spires Art Stages) BWL license is \$325; therefore, revenues decrease by approximately \$375 annually beginning in fiscal 2025. However, the board advises the permanent license authorized by the bill could create administrative efficiencies to the extent it reduces the number of *per diem* licenses issued by the board.
