**Carroll County Board of Education - Vacancy Procedures - Alterations**

---

This bill repeals the existing authority of the Governor to appoint a new voting member to fill any vacancy on the Carroll County Board of Education. Instead, when a vacancy occurs 30 days or less before the candidate filing deadline for the primary election held in the second year of the vacating member's term, the Carroll County Commissioners must appoint a qualified individual to fill the vacancy for the remainder of the term until a successor is elected and qualifies. When a vacancy occurs 31 days or more before the candidate filing deadline for the primary election held in the second year of the vacating member's term, the county commissioners still must fill the vacancy, but only until an individual is elected and qualifies at the next general election. The elected individual must then fill the vacancy on the board for the remainder of the term until a successor is elected and qualifies. **The bill takes effect July 1, 2025.**

The Carroll County Board of Education consists of five elected members, five nonvoting county commissioners, and one nonvoting student member. The five elected members are elected from the county at-large. Three board members are elected in gubernatorial election years and two board members are elected in presidential election years.

The school board is 1 of 20 elected boards in the State, there are also 4 hybrid boards. The **Appendix – Local Boards of Education Membership** shows the selection methods, terms of office, and membership of the 24 local boards of education.

## Appendix – Local Boards of Education Membership

---

The composition of the local boards of education varies with members serving three- to four-year terms. Twenty counties have elected school boards and four counties have combined appointed and elected school boards. Twenty-two boards have student members; however, only 8 boards allow student members to vote, which generally excludes authority to vote on matters relating to collective bargaining and personnel. Three counties with voting student members also preclude student members from voting on matters relating to operating and capital budgets. **Exhibit 1** shows the selection methods, terms of office, and membership of the 24 local school boards.
