**HB 1230 – State Prescription Drug Benefits – Retirees
SUPPORT**

Dear Chairwoman McIntosh and Members of the Appropriations Committee,

I am writing to you to express my full support for our State retirees through **HB 1230 – State Prescription Drug Benefits – Retirees.**

This bill would take necessary steps to assist our State retirees who have recently lost their prescription drug benefits, as it is only fair that they receive the benefits they were promised when they began serving our State. I have met with several of our constituents who have been affected by the changes to the prescription drug plan—and they need our assistance.

I have put forth an amendment to ask to be a co-sponsor of this bill, as I strongly believe that it is our duty to help our retirees. I implore you to pass this legislation. Thank you so much for your time.

Sincerely,

A handwritten signature in blue ink that reads "Carl Jackson".
