Testimony in Support of House Bill 117 – Insurance —Industry Automobile Insurance Association – Board of Directors

Good afternoon Mr. Chairman and members of the committee. Thank you for the opportunity to speak to you on behalf of **House Bill 117 – Insurance —Industry Automobile Insurance Association – Board of Directors**.

Two trade associations from which certain members of the Industry Automobile Insurance Association's (IAIA) board of directors are nominated – the American Insurance Association (AIA) and Property Casualty Insurers Association of America (PCIAA) -- recently merged, forming the American Property Casualty Insurance Association (APCIA). This legislation seeks to conform the constitution of the nominating entity of the board of directors of the IAIA with that merger. Rather than two nominees being selected by AIA and two by PCIAA, four nominees will be selected by APCIA.

To accompany this purely corrective and technical legislation, I offer a corrective, technical amendment that reflects the accurate name of the trade association. I respectfully request a favorable report for House Bill 117.
