BILL: HB1196

Name: Manish Mehta

Business name: Wheaton Services Inc

Email: [myhotel7@yahoo.com](mailto:myhotel7@yahoo.com)

Favorable with Amendments

I am writing to support HB1196 with amendments. I fully support the removing of the current exemption from licensing for certain business. Only businesses with bullet proof enclosures for security of their employees as well as customers should be issued the Check cashing license. I oppose the one section of the proposed bill that would require a brochure advising customers to shop around for alternatives.

Regards,

Manish Mehta
