STATEMENT IN SUPPORT OF HOUSE BILL 0133
VEHICLE EMISSION INSPECTIONS PROGRAM – DEPLOYED MILITARY
PERSONNEL – EXEMPTION

The American Legion Department of Maryland strongly supports House Bill 133 exempting vehicles of a deployed military member from vehicle emissions testing while the serviceman or woman is deployed overseas.

HB 133 is a sensible and fair method of allowing a person to use the vehicle while on orders out of the country or assigned to duty in a jurisdiction not subject to vehicle emissions control programs.

The American Legion joins the Maryland Department of Transportation in respectfully requesting a favorable report from the Environment and transportation Committee.

Yours, respectfully

Patrick Guibao *PG*
