RE: Senate Bill 555 – Consumer Protection – Unit Pricing – Alcoholic Beverages

Dear Committee Members:

I request your support for SB 555. The purpose of this bill is to required retailers to post their beer prices. Every other product sold in their stores (peanuts, gum, chips) is required to state the sale price. Retailers frequently choose not to post prices of six-packs and cases of beer. Customers must wait in line to have the product scanned for a price check and then either purchase or return the product to the shelf and begin anew.

Sincerely,
