Supporting

Dear Chair Kelley, Vice Chair Feldman, and Members of the Finance Committee,

I am writing to express my support to the Graduate Assistant Collective Bargaining Fairness Act (HB 214). I am a first year Ph.D. student in the department of Physics, University of Maryland. Graduate Assistant being underpaid is not an uncommon thing in the United States. While many states in this country had ensured the collective bargaining right for grad students, it is absent for Maryland, one of the most developed states in the US. Without my explanation and evidence, how the labor Union had helped protect the rights of workers is a known fact and there is no reason such right is not protected for graduate workers. As an important group of the university, graduate student workers ensure the quality of teaching and research of the university. We worked hard but we kept struggling to live. The right of graduate workers cannot rely on gestures of the university admins just like the right of workers cannot rely on gestures of the capitalists, even the working conditions are great now. Our right should be protected by the law and therefore we sincerely hope it will be the case. Please accept my sincere apology for sparing your time to read the letter.

Sincerely,

Kwok Lung Fan
