RE: Senate Bill 138 – Harford County – Service of Process – Detention Center Employees

Dear Committee Members:

I request your support for SB 138. This bill provides that Correctional Officers designated and trained to serve criminal process in the Harford County Detention Center will be allowed to serve criminal process in the Circuit Court for Harford County and the District Court of Harford County. This saves time and money by allowing Correctional Officers, who are usually already supervising the individual, to serve criminal process rather than stand around waiting on a Police Officer to come serve the criminal process.

Sincerely,
