Proposed Amendment on HB 857: Public Safety- Certification of Police Officers

Amendment Offered By: Frank D. Boston III on behalf of the Fraternal Order of Police

Amendment: On Page 2, Line 1 – 3, Strike all language starting with “; And” through “Practices”

Amendment Purpose: The purpose of this proposed amendment is to relieve the individual police officer of liability of the business practices that may be beyond their control or knowledge but that would still harm their certification or recertification chances. This amendment would also reflect the changes made to the Senate crossfile.

We look forward to your comments on our proposed amendment. Please reach out to our office at 410-323-7090 if you have questions, comments, or wish to discuss the amendment.
