

Hello;

I would like to voice my opposition to HB910, SB958, HB1078, HB1257, SB816, HB958, SB910, HB591, HB1104 and HB1501 . All of these bills are designed to directly infringe on our Constitutional rights. Some if passed would make CRIMINALS over night of law abiding Marylander`s . These bills if they are aloud to become law. Would infringe on the rights of Marylander`s that are held safe by the Constitution of the United States and that of the Constitution of Maryland its self. Again I STRONGLY OPPOSE ALL OF THESE BILLS AS DO MOST Marylander`s !

Thank You
