

Testimony on behalf of Jeffrey S. Folk

IN SUPPORT OF:

**HB1085 – Criminal Procedure – Appeals -Unlawful Possession of a
Firearm**

House Judiciary Committee

March 4, 2020

I am a citizen of Garrett County, a loving husband and caring father of two. I am writing today in SUPPORT OF HB1085.

There are many instances where someone may be in violation of the law and not know it. I support this bill for allowing appeals to those convictions.

It is for this reason that I am in SUPPORT of HB1085 and ask that the committee return a favorable report.

Sincerely,

Jeffrey Folk
