RE: House Bill 59 - Task Force on Higher Education Students with Chronic Health Conditions - Letter of Information

Dear Chair McIntosh and Committee Members:

The Maryland Department of Health (Department) respectfully submits this letter of information on House Bill 59 - Task Force on Higher Education Students with Chronic Health Conditions.

Due to ongoing COVID-19 response efforts, the Department unfortunately does not have the fiscal or personnel resources to implement this bill if it is passed. Many of the Department's current personnel have already increased their workload and absorbed additional tasks that are critical to the COVID-19 response.

We recognize and value the importance of this bill and its impact on Marylanders. As such, we respectfully request this bill be held and reintroduced in the 2022 Session. We look forward to working with the bill sponsor(s) and appropriate stakeholders in the interim.

I hope this information is useful. If you have questions or need more information about this subject, please do not hesitate to contact me at (410) 260-3190 or webster.ye@maryland.gov or Deputy Director of Governmental Affairs Heather Shek at the same number or heather.shek@maryland.gov.

Sincerely,

A handwritten signature in blue ink that reads "Webster Ye".

Webster Ye
Assistant Secretary, Health Policy
