Chairman: Dereck E. Davis  
Members of Economics Matters Committee

RE: HB 996  
Position: Favorable

While this bill will not affect many of our stores it will help areas where locations are few and serve as an incentive to build newer locations that would better fit the needs of the area

This would be a win for community, employment, alcohol sales would make some location viable that might not be otherwise.

Please give HB996 Favorable report
