

February 16, 2021

**BILL:** HB 33  
**TITLE:** Climate Crisis and Education Act  
**POSITION:** SUPPORT  
**HEARING DATE:** 2/18/2021  
**COMMITTEE:** Economic Matters  
**SPONSOR:** Del. David Fraser-Hidalgo

I live in Baltimore City district 46 (Canton) and support House Bill 33 and Senate Bill 76.

Lessening pollution, and especially holding up low income constituents who have no other choice but to live in or near such high pollution concentrated areas, must be a priority of state laws to help make these areas more livable. Citizens' health must be considered a priority.

For this reason and more, I urge a FAVORABLE REPORT on HB 33.

Respectfully submitted,

Patricia Bahr
