Maryland Senate Education, Health and Environment Committee

In Support of HB 465: State Superintendent – Qualifications and Senate Confirmation.

Good day members of Maryland Senate EHE and House of Delegates Committees.

As Parents and advocates, we fully support this bill in helping us all find a replacement State Superintendent of Schools. He/She should be fully qualified, and be able to meet the qualifications for leading our public school system(s) into the future.

Please support HB 465, and we ask that the committee return a favorable report.

Thank you for your time, and for considering our testimony today.

Mr. Richard Ceruolo
