Re: Senate Bill 605 – Queen Anne’s County - Natural Resources - Sunday Hunting

Dear Chair Pinsky, Vice Chair Kagan, and Members of the Committee:

On behalf of the National Shooting Sports Foundation (“NSSF”), I submit these comments in support for Senate Bill 605 (“SB 605”) by Senator Herhsey. SB 605 would authorize the Department of Natural Resources to allow a person in Queen Anne’s County to hunt any game bird or game mammal on a Sunday during the open season for that game bird or game mammal.

As the trade association for America’s firearms, ammunition, hunting, and recreational shooting sports industry, NSSF seeks to promote, protect, and preserve hunting and the shooting sports. We have a membership of thousands of manufacturers, distributors, firearms retailers, and shooting ranges. Our manufacturer members make the firearms used by law-abiding Maryland sportsmen and women, the U.S. military, and law enforcement agencies throughout the state.

This important piece of legislation will expand current Sunday hunting opportunities for sportsmen, women, and children in Queen Anne’s County. Sunday hunting is an excellent vehicle to recruit new hunter-conservationists. Hunting, fishing, and other forms of outdoor recreation have proven physical, psychological, and educational benefits for our nation’s young people. Due to the greater prevalence of academic, athletic, and other competing activities that take place on Saturday, it is likely that allowing Sunday hunting will more than double the number of days children can hunt.

The passage of Senate Bill 605 will help ensure Maryland’s strong hunting heritage can be enjoyed and passed on to future generations of hunters and conservationists, and it is for these reasons that the National Shooting Sports Foundation supports the passage of Senator Hershey’s Senate Bill 605.

Sincerely,

Trevor W. Santos
