RE: HB 912: Emergency Bill – Maryland Transportation Authority Video Toll Collection

Dear Chairman Barve and Members of the Environment and Transportation Committee:

During the 2017 Session, I had the pleasure of being the House sponsor of this legislation, passed by this committee and signed into law protecting Maryland consumers from civil penalties from unpaid video tolls. The bill was signed into law and sunsets soon.

The purpose of this bill is to extend the sunset until we get through this pandemic. This is no time for compounding debt, therefore I request a favorable report.

As this committee, passed this bill in 2017, I am providing the testimony file for your reference.

Sincerely,

A handwritten signature in blue ink, appearing to read "Mary Ann Lisanti".
