**Motor Vehicles-Inspection Certificates-Exception**

Testimony by Delegate David Fraser-Hidalgo

March 4, 2021- The Environment and Transportation Committee

HB1315 is a simple bill that prevents business owners from incurring additional unnecessary expenses from vehicle inspections. Currently, Maryland allows the transfer of a vehicle to immediate family members without requiring an inspection, which more or less means that the business owner is transferring the vehicle to themselves. Oftentimes, if a business has to be dissolved, a business owner needs to retitle a vehicle or vehicles in their name. This bill would allow a business owner with company vehicles transferred in their name to be granted a waiver for vehicle inspections. HB1315 will help businesses in Maryland, which is why I urge a favorable report. Thank you for your time.
