**Re: House Bill 325 – Talbot County – Deer and Turkey Hunting – Sundays**

Dear Chair Barve and Members of the Committee:

On behalf of the National Shooting Sports Foundation (“NSSF”), I submit these comments in support for House Bill 325 (“HB 325”) by Delegate Mautz. HB 325 would authorize the Maryland Department of Natural Resources to allow a person to deer hunt and turkey hunt on certain Sundays during hunting season on private property or certain public land in Talbot County under certain circumstances.

As the trade association for America’s firearms, ammunition, hunting, and recreational shooting sports industry, NSSF seeks to promote, protect, and preserve hunting and the shooting sports. We have a membership of thousands of manufacturers, distributors, firearms retailers, and shooting ranges. Our manufacturer members make the firearms used by law-abiding Maryland sportsmen and women, the U.S. military, and law enforcement agencies throughout the state.

This important piece of legislation will expand current Sunday hunting opportunities for sportsmen, women, and children in Talbot County. Sunday hunting is an excellent vehicle to recruit new hunter-conservationists. Hunting, fishing and other forms of outdoor recreation have proven physical, psychological, and educational benefits for our nation’s young people. Due to the greater prevalence of academic, athletic, and other competing activities that take place on Saturday, it is likely that allowing Sunday hunting will more than double the number of days children can hunt.

The passage of House Bill 325 will help ensure Maryland’s strong hunting heritage can be enjoyed and passed on to future generations of hunters and conservationists, and it is for these reasons that the National Shooting Sports Foundation supports the passage of Delegate Mautz’s House Bill 325.

Sincerely,
