

Support HB 17

Michelle Wood

6822 Walke Road

Friendship, MD 20758

Good Afternoon,

I am in full support of HB 17 especially sections 14-3B-04 and 14-3B-05. The extended restrictions in Maryland have come with far reaching negative consequences and our state needs to fully reopen. It's time to give Marylanders the freedom as individuals to exercise safety precautions as we deem necessary. I am also in favor of medical freedom with no mandates on health procedures including vaccines.
