

HB 0132 - Health – Mental and Emotional Disorders – Consent (Mental Health Access Initiative)

Chairwoman Pendergrass and the HGO Committee Members:

I oppose HB 132, which would give minors the ability to seek out and “purchase” mental health services.

I am a mom of three kids and live in Rockville. I do not like that the parent can be kept in the dark while the child receives counseling.

Thank you,

Kara Fisher
