

**TESTIMONY FOR HB1013
GENERAL PROVISIONS – STANDARD TIME – YEAR–ROUND DAYLIGHT-SAVING
TIME**

Bill Sponsor: Delegate Crosby

Committee: Health and Government Operations

Organization Submitting: Maryland Legislative Coalition

Person Submitting: Cecilia Plante, co-chair

Position: FAVORABLE

I am submitting this testimony in favor of HB1013 on behalf of the Maryland Legislative Coalition. The Maryland Legislative Coalition is an association of activists - individuals and grassroots groups in every district in the state. We are unpaid citizen lobbyists and our Coalition supports well over 30,000 members.

Our members were excited to see that the General Assembly would finally look at the cost of changing the clock every spring and fall. It increases the number of heart attacks and traffic accidents as people adjust to a temporary sleep deficit. It is dangerous and unnecessary and universally hated by school children, parents and working people.

We do note that this change is dependent on having all states and the District conform. This is unnecessary. Arizona already does not change their clock every year. We believe that this change should be made without waiting for every state and the District to agree.

We support this bill and recommend a **FAVORABLE WITH AMENDMENTS** report in committee.
