**Re: HB1291 Public Safety- Untraceable Firearms Hearing March 1, 2021**

**Position: Oppose**

Dear Chairman Clippinger and Committee Members:

I oppose this bill on several grounds.

First, it is mostly redundant of HB 638, but is contradictory in some portions. While I oppose both bills, this bill is more draconian in turning legal gun owners into criminals just by continuing to own what they obtained legally. It amounts to confiscation of firearms, and potential imprisonment and is likely a violation of the second amendment to the Constitution of the United States.

I urge an unfavorable report.

I am available to answer any questions which you may have. Please feel free to contact me, Steven Randol, 410-695-2183, or [stevenrandol9@gmail.com](mailto:stevenrandol9@gmail.com)
