

House Bill 713 - County Boards of Education - Therapy Dogs - Policy for Handling and Use in Schools
House Ways and Means Committee – February 10, 2021
Testimony of Joyce Lombardi, Director of Government Relations
Position: **SUPPORT WITH AMENDMENTS**

Center for Hope (CFH) writes in support of HB713, which would require county boards of education to allow the use of “therapy” dogs in public schools. Suggested amendments are listed below.

Center for Hope, a subsidiary of LifeBridge Health, helps clients and patients heal from acute violence such as child abuse, domestic violence, street violence and elder abuse through integrated, evidence-based programs that extend beyond hospital walls. We provide trauma-informed crisis intervention, forensic interviews, medical exams, mental health, wraparound case management, family advocacy and workforce development services.

FACILITY AND THERAPY DOGS. The bill uses the term “therapy dog” but does not include “facility dogs.” Both are terms of art and have different standards of training, use and certification. Generally, “facility dogs” (like Manny, above) are specially trained dogs that are appropriate for all people and encounters in institutional settings such as schools and children’s advocacy centers. Generally, therapy dogs are trained to provide emotional support to one specific person. Generally, facility dogs have much more training. Both types of dogs are recognized under Maryland law. Passed in 2019, the court dog program guides Maryland courts on standards for “facility” and “therapy” dogs and handlers who support court proceedings with child witnesses. Those definitions are the result of input by many Maryland stakeholders and are enshrined in Md Code, Cts and Judicial Proceedings Art. §9-501.

Center for Hope’s children’s advocacy center features a highly trained service dog named **Manny**, pictured above, a Zenlike black lab who been who has been calming presence to numerous children and families engaging in the investigative process after disclosing, experiencing or witnessing a traumatic event. Children and adults adore him. Manny is a carefully selected, well tended and highly trained “facility dog,” who went through over two years of training at Canine Companions for Independence, a national organization that trains service dogs for adults, children, and veterans, and trains facility dogs (like Manny) to work with professionals in a visitation, education or healthcare setting. Just over half of the dogs graduate from Canine Companions- most lack the temperament to be Manny. CCI is certified by Assistance Dogs International, which sets benchmarks to measure excellence in the assistance dog industry. Dogs like Manny – and their handlers – must pass specific tests and must conduct themselves with utmost safety, consistency and professionalism in a variety of public and private settings.

Thus Center for Hope supports the following suggested amendments on HB713:
17 4–138.

18 (A) (1) IN THIS SECTION THE FOLLOWING WORDS HAVE THE MEANINGS
19 INDICATED.

20 (2) “HANDLER” **HAS THE MEANING IN MD CODE, CTS AND JUD. PROC. ART. §9-501** MEANS AN
INDIVIDUAL WHO PROVIDES CARE AND
21 TRAINING FOR A THERAPY DOG.

22 (3) **“FACILITY DOG” AND “THERAPY DOG” HAVE THE MEANINGS IN CTS AND JUD. PROC. ART.
§9-501**
MEANS A DOG THAT IS:

1 (I) TRAINED TO PROVIDE AFFECTION AND COMFORT TO
2 CHILDREN WHO NEED EMOTIONAL SUPPORT IN A SCHOOL SETTING; AND
3 (II) CERTIFIED OR REGISTERED AS A THERAPY DOG

4 (B) (1) A COUNTY BOARD SHALL ALLOW THE USE OF **FACILITY OR** THERAPY DOGS IN
5 PUBLIC SCHOOLS IN THE COUNTY.

6 (2) EACH **FACILITY OR** THERAPY DOG USED IN A PUBLIC SCHOOL SHALL BE
7 ACCOMPANIED BY A HANDLER.

8 (C) (1) EACH COUNTY BOARD SHALL ADOPT A POLICY FOR THE USE AND
9 HANDLING OF **FACILITY OR** THERAPY DOGS IN PUBLIC SCHOOLS IN THE COUNTY.

10 (2) THE POLICY REQUIRED UNDER THIS SUBSECTION SHALL
11 INCLUDE:

12 (I) LOCAL OR NATIONAL CERTIFICATION OR REGISTRATION
13 REQUIREMENTS FOR **FACILITY OR** THERAPY DOGS;
14 (II) GUIDELINES FOR HANDLERS OF **FACILITY OR** THERAPY DOGS;
15 (III) GUIDELINES FOR WHEN AND WHERE **FACILITY OR** THERAPY DOGS AND
16 HANDLERS ARE ALLOWED IN SCHOOL BUILDINGS;

Having witnessed the powerful soothing effect Manny has on children and adults, Center for Hope believes this same comfort should be provided to students, under the same guidelines governing their use in Maryland courts.
