**HB 1225 Education - Harford County Public Library - Collective Bargaining**

My name is Jaimie Caldwell, I am a Maryland voter, I grew up using the Harford County Public Library, and still frequent their branches and use their resources. Their existence was instrumental in my development as a child and teen. I support HB1225, as it will make the library and its staff stronger, and better equipped to meet the needs of their employees, thus making the library better equipped to meet the needs of the community.

Sincerely,

Jaimie Caldwell
