SB 295 Maryland Medical Assistance Program – Emergency Service Transporters – Reimbursement

My name is Robert Phillips and I am the Legislative Committee Chairman for the Maryland State Firefighter's Association (MSFA).

I wish to present testimony in opposition to SB295: Maryland Medical Assistance Program – Emergency Service Transporters – Reimbursement

The MSFA was in favor of the original bill, but with the inclusion of a "commercial ambulance service" we feel the original intent has now changed away from the volunteer service.

I thank the committee for their time on this important issue and ask that you **FAVORABLY** support SB 295.

Thank you and I'd be glad to answer any questions that you might have.
