

UNFAVORABLE Testimony - SB 0159
Nelda Fink, 8372 Norwood Dr, Millersville
MD District 32

No. Regulation and licensing is unconstitutional taxation and allows unconstitutional overreach of a tyrannical government. Once this government learns what it's responsibility is, then and only then can more licenses be approved but not as licenses, but as proof of education and that's all. It cannot continue on an annual or any basis and be constitutional. Government is created to protect the rights of the people, not to tax them ad infinitum.

Request unfavorable report of this bill.
